Instructions

The Core Values should be the lens through which you watch the team's presentations. All team members should demonstrate the Core Values in everything they do. This rubric should be used to record the Core Values observed throughout the judging session. Core Values will also be evaluated at each Robot Game with *Gracious Professionalism*® scores, which will feed into a team's overall Core Values rank.

If the team is a candidate for one of these awards, please tick the appropriate box:

- Breakthrough Award** A team that made significant progress in their confidence and capability and who understand that what they discover is more important than what they win.
- Rising All-Star** A team that the judges notice and expect great things from in the future.
- Motivate** A team that embraces the culture of *FIRST*® *LEGO*® League through team building, team spirit, and displayed enthusiasm.
