Instructions

This sheet should be used to record written feedback following the Innovation Project presentation and Robot Design explanation. The *FIRST®* **Core Values** are the lens through which judges watch the team's presentations and evaluate their progress.

The rubrics and feedback page will be returned to teams at the end of the event.

Great job...	Think about...
Core Values – How did the team demonstrate **teamwork**, **discovery**, **inclusion**, **innovation**, **impact**, and **fun** in their work*?*	
Innovation Project – How did the team identify and approach solving a problem connected to the season theme?	
Robot Design – How did the team approach solving robot game missions using building and coding?	

If the team is a candidate for one of these awards, please tick the appropriate box. Check with your event organizer which optional awards your event uses.
