

DISCOVER

Family Engagement Activity – Bonus

- Find more activities to do as a family!
- Visit the LEGO Foundation's website: at learningthroughplay.com/let-s-play or follow the QR code and try out at least one activity from there. If you cannot visit the website (or even if you can), make up a game to play together using materials you already have. Play your game!
- On your Activity Log, write down what activity you completed. (Use the back if you need more space on your log.)
