

DISCOVER

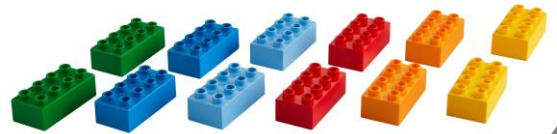

Family Engagement Activity – Session 2

- Use your Six Bricks to play music!
- Use your Six Bricks or other materials as drumsticks, clap them together, or design your own way to make noise. Then, create your own rhythm or musical pattern and teach it to your family.
- Choose a favorite song and play along together, using your new instruments. Talk about why you chose the song or what you like about it.
- On your Activity Log, write down what song you chose.

During this activity, your family might say or think...

How will we solve it?
