

# Awards List

## Core Awards

### Champion's Award

This award celebrates a team that embodies the *FIRST*® LEGO® League experience by fully embracing the Core Values while achieving top scores in their project, engineering design, and game matches.

### Core Values Award

This award celebrates a team that exemplifies teamwork, discovery, inclusion, innovation, impact, and fun throughout their work and during the event.

### Project Award

This award celebrates a team that excels in research, creativity, and teamwork to deliver an outstanding project.

### Engineering Design Award

This award celebrates a team that uses solid engineering principles to build and code their team solutions to solve game missions.

### Game Performance Award

This award celebrates a team that scores the highest average points from game matches, demonstrating both engineering excellence and collaborative game strategy.

## Additional Awards

### Rising All-Star Award

This award celebrates a team that makes significant progress in their confidence and capability, and who judges expect great things from in the future.

### Inspiration Award

This award celebrates a team that embraces the culture of *FIRST* LEGO League through above and beyond innovation, impact, or outreach.

### Coopertition® Award

This award recognizes two teams who score the highest combined match score at the event, demonstrating that *FIRST* LEGO League teams are stronger when they work together.

## Supporter Awards

### Mentorship Award

Mentors guide and inspire their teams to grow, both individually and together. This award recognizes a teacher, coach, or mentor who demonstrates exceptional leadership and models the *FIRST* Core Values.

### Peer Award

This award honors a team nominated by their peers for how they demonstrate the *FIRST* Core Values and *Gracious Professionalism*.
