

Team Name or Number:	Reviewing Group:
----------------------	------------------

Reviewing Sheet

Reviewers should tick one box on each line to indicate the team's progress:

- **Beginning:** The team's work is beginning to develop in this area
- **Accomplished:** The team's work clearly demonstrates this area
- **Exceeds:** The team's work went above and beyond the challenge in this area

BEGINNING

ACCOMPLISHED

EXCEEDS

TEAM MODEL				
Describe what you built for your team model.	The team built a creative team model out of LEGO® bricks and can describe their building choices.	☐	☐	☐
What parts of your model represent the season theme?	The model includes elements that represent rainforest plants, animals, and the scientists who work there.	☐	☐	☐
How did you use the sensor and motor in your team model?	The team uses a motor and sensor in their model and can explain what they do.	☐	☐	☐
TEAM POSTER				
Describe what you included on your team poster.	The poster uses words, drawings, photos, or other creative ways to explain their ideas.	☐	☐	☐
What is something you learned about the season theme?	The poster shows something the team learned about rainforest plants, animals, or biodiversity.	☐	☐	☐
What was your favorite part of the season, and why?	The team shares things they discovered, enjoyed, or experienced during the season.	☐	☐	☐
CORE VALUES				
How does your team use Core Values?	Team members can give examples of how they use Core Values while working together.	☐	☐	☐
How does everyone on your team help share your ideas?	Team members work together to share their ideas, listen to one another, and present their model and poster.	☐	☐	☐

Once teams have completed the reviewing session and building challenge, reviewers should add comments below to recognize what a team did well.

REVIEWING SESSION FEEDBACK
